The Diocese of Metuchen, its parishes, schools, and facilities, are bound to the canon law of the Roman Catholic Church. As such, certain employment positions must be restricted to members in good standing with the Roman Catholic faith. Where religious denomination is not a critical factor to the performance of required job functions, it is the policy of the Diocese of Metuchen, its parishes, schools, facilities to afford equal access to programs, services, and employment to all persons where required by state and federal law.
