

The 2019 Respect Life High School Video Contest!

COMBATTING RACISM

Racism is an attack on the image of God that has been given to every one of us by the Creator (Gen. 5:1-3).

Because each person has been created by God, we are all united together with the Lord and with each other.

Racism rejects what God has done by refusing to acknowledge the image of God in the other, the stranger and the one who is different.

Create a Youtube Video:

What is the Holy Spirit calling you to do to combat racism, together with your family, neighborhood, parish, school or other faith community? What will be your first step?
