What is the title of your researched-based inquiry/activity that will increase student achievement?

This research-based inquiry/activity is directly related to what School goal, Diocesan Goal or part of the Three Year Strategic Plan?

How will your inquiry/activity positively impact student achievement/learning?

How will this achievement/learning be measured?

What was the research basis and/or source for your inquiry/activity?

What was the final result of your PLC activities for 2010-2011?

A PLC Summary Report will be attached to the last PLC log of the school year. It must be submitted to the School-Based PLC Leaders no later than June 1, 2011. Final reports will be maintained in the building principal's office.

Teacher Log of PLC Group Contributions

After each PLC session, a copy of this form must be completed and signed by all members of your PLC group to serve as documentation of your participation. Each person is to give a short summative statement regarding what researched-based information they brought to the group at the designated PLC meeting.
